August 5 on the Village Green saw the launch of the Pelham Farmers Market. With new vendors being added daily, Pelham Community Spirit will host the market every Wednesday from 3 to 7 p.m. through the fall.

Kendall Pond Honey Company, operating hives in Pelham on Mammoth Road, provides the market with local honey and honeycomb samples.

Coinciding with the Pelham Farmer's Market kick-off was a classic car show and free summer concert series.

Pelham Center is a great place for area residents to enjoy the summer together, and it's all happening at the Village Green.
